ALBANY IS SCENE OF BIG FIRE LOSS

Handsome and Costly State Capitol Partially Destroyed Yesterday

LEGISLATORS ARE FORCED OUT

Five Million Dollars Could Repair the Damage—Massive Pile of Granite Plumb and True as Ever—Destruction.

Albany, March 29.—Five million dollars probably could repair the damage done by fire in the State capitol today, but money cannot restore the historical records which were the pride of its State library. After examining the exterior walls with a transit, State Architect Ware declared tonight that the massive pile of granite was as plumb and true as ever.

The flames licked up the State library, the court of claims, the assembly library and document rooms, most of the offices of the excise department, and the quarters of the Senate Finance Committee, and water and smoke took up the work that the flames laid down and the damage from this cause extends to every part of the building.

Although the fire started in the northwest corner of the building, it caused the greatest havoc in the southwest corner. Heer the red tiled pointed cupela fell, carrying down part of the carved granite work that supported it and towering stone chimney. Conservative estimates place the damage to the exterior stone work at $2,000,000. The interior masonry was damaged to the extent of $1,500,000 and the same sum will represent the loss on the contents of the State library.

No trace had yet been found tonight of Samuel D. Abbott, the aged watchman, in the State library.

The fire was still burning tonight in the ruins beneath what was once the beautiful cloud-painted ceiling of the State library reading room and the water kept pouring in from seven lines of hose. Water still dripped through the ceilings in nearly all parts of the west wing and cascaded down the stone stairs, but the fire was subdued and the work of repair had already begun. A hundred national guardsmen stood guard in the deserted corriders tonight and fifty policemen patrolled the streets outside to protect the dismantled end of the building.

Next to the financial loss the chief effect of the fire will be inevitable delay in the machinery of State government. Although the Senate chamber stands practically untouched and a few thousand dollars can restore the meeting place of the lower house to its former beauty, a week or longer may intervene before legislative business can proceed in its accustomed channels. There was talk tonight of a recess and only the constitutional requirement of taking a daily ballot until a United States Senator is chosen, keeps the legislators here. Such a recess was expected if the senatorship tangle could be unravelled tomorrow.

Today both Houses met in the city hall, across a short stretch of park from the capitol building the Senate in the common council chamber and the assembly in the country court room, where the joint session also was held and same arrangement will be followed tomorrow. The burned out department forces found temporary quarters where they could.

Discussing the fire loss, State Architect Ware said tonight:

"Based upon the original cost of the capitol, the extent of the damage would be between five and six million dollars, but in view of more econominal methods of construction which can be employed in the restoration this amount can be materially reduced."

Mr. Ware will recommend that when the burned out portion is restored the interior be remodelled to suit the other departments, which will occupy it.

The State architect's official description of the fire damage follows:

"It would appear that the entire State library located on the third and fourth floors, including the southwest pavilions are completely destroyed. This includes also the court of claims and some of the committee rooms of the Senate and assembly. The ceiling of the Senate appears to be intact and apparently no damage except slight water damage, has occurred at this point."

The western side of the assembly hall, including the ceiling has suffered a slight fire damage and considerable water damage. Many departments on the first and second floors in the western portion of the capitol have suffered more from the water damage than from actual ure. On account of the dangerous condition of some of the interior walls and dormers throughout the western section it would be inadvisable to use the offices immediately thereunder.

The State carried no insurance as the capitol building had been regarded as absolutely fireproof. It was in fact, not the building that burned,

HERRMANN DRAWN INTO PROBE

Sensational Turn of Cincinnati Grand Jury Investigation—Originated in Cox Case—Will be Called To Testify.

Cincinnati, March 29.—The name of August Herrmann, Grand Exalted Ruler of the Elks, and chairman of the National Baseball Commission, was drawn into the grand jury investigation today when that body made a report to Judge Frank Gorman, of the Common Pleas Court, asking whether Bayard Kilgour, general manager of the Cincinnati & Suburban Bell Telephone Company, was in contempt of court.

Both Herrman and Kilgour have been before the grand jury,. On the occasion of Kilgour's last attendance, he stated, according to the report today, "that his father was in poor health and he asked to be excused in order that he might acquaint his parent with the circumstances of his testimony and to prepare his mind for what might follow."

Kilgour is said to have promised to return on March 1st, but has no appeared since.

The report hen continues: "The said Bayard Kilgour in violation of the injunction of the grand jury to him given, did repair to the office of August Herrmann, who at that time had been summoned to appear before us in reference to the same matters.

"And Bayard Kilgour did further intimate to August Herrmann a certain fact, on which the said August Herrmann would probably be questioned by the grand jury; to wit: the fact that August Herrmann was then and there and theretofore in the enjoyment of gratuitous service from the Cincinnati & Suburban Bell Telephone Company, of which Bayard Kilgour was the general manager."

Kilgour is reported to be with his father, John Kilgour, in Miami, Fla. Mr. Herrmann would say nothing tonight. The circuit court which is hearing the mandamus proceedings against Judge Charles J. Hunt and the injunction against Judge Frank Gorman's trying George B. Cox on the charge of perjury, were locked in a room all today, and about 6 o'clock announced that it had not reached a decision.

Even though the mandamus case against Judge Hunt and the injunction against Judge Gorman are decided against Cox, it is hardly probable now that Judge Gorman can find time to bring the case to trial inasmuch as there are still two preliminary steps that can be taken; namely, a plea of abatement and the demurrer to the indictment. Both of these would consume considerable time. In the face of this situation, Judge Gorman's term of criminal court judge will expire on Saturday.

RANDELEMAN MILLS SOLD.

Valuable Property Bought By J. E. Gilmer for $215,500.

Randleman, N. C., March 29.—The properties of the Randleman Manufacturing Company and the Naomi Falls Manufacturing Company, both bankrupts, were sold under the hammer by order of the court yesterday. Both plants were purchased by J. E. Gilmer, of Winston-Salem, the price aggregating $215,500.

The Randleman Mill was bonded for $115,000 and the purchase price was $59,500 above the bonds. The plant has eleven thousand spindles and five hundred looms. The Naomi mill was bought for $41,000, including a small bonded indebtedness. This plant has six thousand spindles and sixty odd looms. The sale is subject to confirmation of the court. Both plants have been operated under the direction of the trustees and the owner will continue operations as soon as the sales are confirmed.

UPHOLDS THE INJUNCTION.

Granted Against the Corporation Commission of Oklahoma.

St. Louis, March 29.—The United States Court of Appeals today upheld the temporary injunction, granted against the Corporation Commission of Oklahoma by a United States Circuit judge nearly a year ago, enjoining Oklahoma from enforcing the two-cent passenger fare law and a reduction in freight rates.

The court, passing on the temporary injunction on affidavits and arguments, holds the law to be confiscatory and holds that that section of the Oklahoma constitution establishing the Corporation Commission is invading under the constitution of the United States.

The decision does not end the rate cose, which will now proceed on the pleadings and evidence. No testimony had been placed before the court.

URGE ARBITRATION FOR ALL NATIONS

Laud Movement Between United States and England in London

PREMIER AND REID SPEAKERS

Referred Particularly to English Speaking People—Suffragettes Interfered at Meeting—Celebration Object.

London, March 29.—At a great meeting of churchmen and statesmen in Albert Hall this evening to celebrate the Tercentenary of the Revision of the English Translation of the Bible by a commission which completed the so-called King James Version in 1611, Premier Asquith and Whitelaw Reid, the American ambassador, who were the public speakers, seized the opportunity to eulogize the arbitration movement.

Suffragettes interfered with the proceedings and when the prime minister began they unfurled banners bearing the inscription: "Votes for Women." The banners were torn up after a free fight.

In his address, Mr. Asquith said: "The English Bible belongs not only to the subjects of King George, but to the whole English-speaking world. One of the truths, which has been slowly realized, and which now I believe is firmly rooted in the faith of Christian men and women on both sides of the Atlantic, is that war between English-speaking people would be not only a crime against civilization, but an unforgivable breach of these few commandments which are enshrined in the New Testament on which nations have been bred.

"There surely could not be a more worthy, a more appropriate, a more splendid monument of this tercentenary year than that it should witness the sealing of a solemn pact between us, which would put an end once for all to the hideous and unthinkable possibilities of fratricidal strife."

Speaking of now the Bible furnished the strongest and most indestructible bond for present practical unity in the aims and aspirations of the English-speaking family, Ambassador Reid said:

"While that community of aims and aspirations endures, starting as it does from our common possession and use of this book, and supported by the same language, the same common law, the same parliamentary institutions, the same civil rights and largely the same blood, it is the greatest single guarantee for the people and progress of the world.

"In fact," continued the speaker, "from the men and from the peoples nurtured on the precepts of this book, and mainly on this vision came the recent statesmanlike proposal of the President of the United States and the inspiring response of King George through Sir Edward Grey, which promise to make war as a settlement of any dispute henceforth between any English-speaking peoples impossible, and between any other civilized nations discreditable."

The ambassador concluded by reading President Taft's letter.

A BIG GOLF EVENT.

Eyes of Entire Golfing World Turn Toward Pinehurst.

Pinehurst, N. C., March 29.—With such three players as Walter J. Travis, thrice American and once British champion, William C. Fownes, Jr., National amateur champion, and Chas. Evans, Jr., Western open champion, in today's 36-hole qualification round, the 11th annual United North and South golf championship ranks in importance with the biggest events of the year and turns the eyes of the entire golfing world toward Pinehurst.

Competition for the qualification gold medal resulted in a pretty race between the three experts mentioned which Mr. Travis won with a card of 149. In the second place Mr. Fownes landed with 155, Evans third in 156.

The number one and number two courses were both brought into use, the participants playing one round on each and as a result the big field of 123 participants was handled in record order even for Pinehurst. Six divisions qualified for the match play rounds, which continue through Saturday.

BIG LOSS TO PEACH CROP.

Small Beetle Played Havoc Last Season — Loss $8,000,000.

Washington, March 29.—Approximately $8,000,000 loss was sustained by the peach growing industry in the United States, east of the Rocky mountains last season from Brownrot, scab and curculio, a small beetle, according to a Department of Agriculture bulletin today. The loss was about half the value of the crop. It is estimated that with 113,750,000 bearing trees last season's crop aggregated from $12,000,000 to $16,000,000.

SPEED CARNIVAL IN FLORIDA

More Than 10,000 Witnessed Auto Races Near Jacksonville Yesterday.—Marked by Keen Excitement—Winners.

Jacksonville, Fla., March 29.—More than 10,000 spectators lined the Atlantic-Pablo beach course today to witness the second day's automobile speed carnival. Close and exciting finishes characterized the events, especially the ten mile free-for-all handicap, in which the leaders crossed the wire well bunched, with a few seconds separating them.

In the five mile open National Beach championship race, Tower and Evans, in Warren-Detroits, captured first and second places, respectively. In the ten mile open class B., Herbert Wilson, of Jacksonville, driving a Cole, defeated Hughie Hughes in his Mercer.

In the ten mile open race for cars of 301-450 cubic inches, Merz and Wilcox, in Nationals, fought it out for first honors and Merz won by four seconds.

The ten mile open free-for-all, furnished keen excitement. Although Burman in a Buick bug suffered clutch trouble after making the turn at the five mile post when leading, he managed to finish second to Wilcox with a National, nine seconds ahead of Disbrow's Pope-Hartford.

In the two ten mile free-for-all handicaps nine cars started. Hughes, in his Mercer, won the first event, while Wilcox, in a National fighting it out desperately with Disbrow in a Pope-Hartford, crossed the wire a fraction of a second ahead of him in the second event.

The last event on the card was the record trials for one kilometer. Burman, in the Buick Bug, made the first trial, but the timing apparatus failed to work. He did not run it over.

Burman, in the Blitzen Benz, covered the distance in 19.26 seconds. Oldfield holds the world's kilometer record, 17.04 seconds, made on March 23, 1910, in the Blitzen Benz. The breaking of the oil pipe connection prevented the car from equaling its record, Burman said.

WOULD "FLEECE" INDIANS.

Wealthy Clothing Manufacturer Arrested in New York.

New York, March 29.—Charged with conspiracy to defraud the United States Indian Service of the Interior Department by substitution of shoddy trousers for those of standard quality, Arthur Rose, a wealthy clothing manufacturer of Newark, N. J., was arrested today on a Federal warrant. Rose held a sub-contract for furnishing clothing to the Indian service and it is alleged that with Charles H. Furman, Chief Clerk in the United States Indian Warehouse in this city, he conspired to remove from the warehouse several cases of standrad goods, which has passed inspection and substituted for them cases of shoddy goods.

The arrest follows the recent indictment of the firm of Weinstein & Maher, of this city, on similar charges. They are on bail and Rose also was released on bonds of of $2,000 tonight.

It is said that the looting of the warehouse has been systematic and that several contractors have been involved in the alleged conspiracy. Chief Clerk Furman has turned a government witness in the cases.

GLUCOSE TRUST CASE UP.

Corn Products Company Implicated—Given Hearing.

Montgomery, Ala., March 29.—Judge Gaston Gunter, in the city court, today decided the hearing of the interrogatories in the case of the Corn Products Refining Company against Dreyfus Brothers and others, of Montgomery, and set the case for trial on April 20th. The Montgomery companies aver that the Corn Products Company and all its companies form what is known as the glucose trust and the object of their interrogatories today was to establish the fact.

STILL DEADLOCKED AT ALBANY, N. Y.

Conference Last Night Only Long Enough For an Adjournment

INSURGENTS FAILED TO ATTEND

Reported That Chas. F. Murphy Favors Herrick—Republicans Considering Matter of a Coalition—Situation.

Albany, N. Y., March 29.—The third session of the reconvened Democratic Senator contest lasted tonight just long enough to permit Senator Cullon to move and adjournment until 10:30 o'clock tomorrow morning. The expectation of many that an overnight agreement would be reached whereby the insurgents would be made to feel their way clear to attend in a body was not realized. None of the out and out insurgents attended.

One of the rumors afloat tonight was that Charles F. Murphy favored Judge D. Cady Herrick, who was said to have figured on the list of ten submitted last night by the insurgents, if assured of enough insurgent votes to elect him. It was said, however, that several of the insurgents would not pledge themselves to Herrick, but prefer John D. Kernan. There were persistent reports that overtures have been made by them to the Republicans with a view to electing Mr. Kerman unless the regulars accede to their proposals tomorrow.

An interesting factor in the situation appears to be a division among the Republicans regarding the expediency of helping the insurgents to name a man. This lack of Republican harmony is understood to have encouraged the regular Democrats to procrastinate in the hope of an emergency arising by which they can make a better bargain with the insurgents.

Various conferences were held tonight, but their results, if any, were not made public. Most significant of the statements made by the participants was that of Speaker Brisbie, who asserted positively that a senator will be chosen before April 4th.

INTEREST IN ITALY TRIAL.

Informer Again Spent Day On Stand —Prisoners Interrupt.

Viterbo, Italy, March 29.—The entire sitting in the trial of the Camorrists was occupied today in the further examination of Gennaro Abbatemaggio, whose testimony was constantly interrupted by the prisoners in the cage. To the question of the President of the court as to whether he suffered from epilepsy, Abbatemaggio replied in the negative. Here is a military medal certificate, said President Biancho, "stating that you left the army after three attacks of epilepsy."

"Then I did it purposely to be sent home from the army," said the witness.

The lawyers for the defense jumped to their feet shouting: "Then you deceived the military and you are now trying to deceive the judicial authorities."

The severity with which the President selected disputed points for explanation, the prisoners believe, was a good omen in their behalf.

NEW HONDURAN PRESIDENT.

In Keeping With Peace Agreement Bertrand Now Presides.

Washington, March 29.—Dr. Francesco Bertrand is now provisional president of Honduras, in accordance with the peace agreement recently negotiated between the government and revolutionary forces of the republic. The ceremonies of his inauguration yesterday, according to a telegram received by the State Department today from American Minister McCreecy, at Tegucigalpa, were conducted in the presence of the diplomatic corps and the National Congress. General Davilla, the retiring president, delivered a cordial address and his successor responded in a similar vein.

GEN. REYES LEFT OUT.

Got No Invitation to Join New Ministry in Mexico.

Paris, March 29.—General Bernardo Reyes, of Mexico, who returned today from Italy, said during the course of an interview tonight that he had received no invitation to join the new ministry and that he had no intention of returning to Mexico at the present time.

General Reyes added that he was absorbed in his military studies which he expected would keep him occupied for a considerable period. He took an ptimistic view of the situation in his country and regarded the new ministry as a promising combination.

CAROLINA APPOINTEES LEAVE

R. M. Odell, of Concord, and J. M. Hause, of Greensboro, To Investigate Cotton Trade Conditions Abroad.

New York, March 29.—For the benefit of American manufacturers and exporters, the Bureau of Manufacturers' is extending its special investigations of trade conditions in foreign countries and today announced the appointment of three new commercial agents.

R. M. Odell, of Concord, N. C., an expert on cotton textiles and one of the new appointees, left today for Spain and Portugal and will attend the eighth International Cotton Congress of the Master Cotton Spinners and Manufacturers' Associations at Barcelona in May, after which he will travel in Northern Africa, the Balkan States and other foreign countries.

Durand S. Alexander, Jr., of New York, will leave San Francisco in a fortnight for China, Japan, Australia and India to investigate the export trade in machinery, machine tools and other similar products.

J. M. Hause, of Greensboro, N. C., already has started for Manchester, England, to investigate cotton textiles manufactures.

METHODIST IN CONFERENCE.

Gatherings at Clifton Forge and Washington — Features.

Clifton Forge, Va., March 29.—With a large number of delegates in attendance and with an address by Bishop E. E. Hoss, of Nashville, Tenn., who presided, the 127th session of the Baltimore Conference of the Methodist Church, South, began here today. Reports of the presiding elders, with few exceptions, showed gratifying gains in both membership and contributions. The superannauated list was changed by the addition of new members and the withdrawal of others who desired to return to active church work. Tonight the delegates heard an address by Dr. H. M. Wharton, of Baltimore. A blinding snow storm prevailed here today.

Washington, March 29.—The 127th annual conference of the Baltimore Conference of the Methodist Episcopal Church, opened here today for a five-days' session with Bishop William F. Anderson, of Chattanooga, Tennessee, presiding, and 250 ministers in attendance.

Tomorrow the 25th anniversary of the Women's Foreign Missionary Society will be observed and on Friday there will be a meeting at which several hundred laymen will be present.

Most of the morning session was taken up with the transaction of routine business.

F. G. Porter, of Baltimore, was appointed secretary to succeed G. E. Maydwell, deceased; E. E. Marshall was chose nstatistical secretary and J. R. Edwards, treasurer. Following the selection of the various committees memorial services for the members of the conference, who died during the past year were held.

MANUSCRIPT OFFICE RAIDED.

Owner sCharged With Pirating Theatrical Productions.

Chicago, March 29.—Federal secret service men today raided the offices of the Chicago Manuscript Company in LaSalle street, charging the concern with pirating copyrighted theatrical productions.

Eight girls—stenographers—working in the offices were subpoenaed, each with the manuscripts on which they were working.

Warrants were issued for Alexander Beyer, who is said to be owner of the company, and for his wife, Mrs. Anna Beyer.

The raid followed complaint by Attorney Lignor Johnson, of New York, counsel for the National Association of Theatrical Producers, who charged that the company would send its stenographers to plays, have them take down the dialogue in shorthand while another noted the stage directions, and that copies of this manuscript would be sold far below the royalty price.

VALUE OF FIRE DRILL.

Almost 3,000 Get Out Burning School In Perfect Order.

New Yrk, March 29.—The value of the fire drill was demonstrated this afternoon when fire was discovered in Public School No. 43, the Bronx. Although smoke was drifting through the building and the odor of burning wood and paper permeated the halls and class rooms, 2,900 little children responded to the fire drill signal and in perfect order marched from the building as they do several times each week. In two minutes all were on the street watching the firemen. The blaze did only trifling damage.

TRIBUTE TO FIRE VICTIMS PLANNED

Funeral Procession of 150,000 Sympathizers Arranged in Gotham

MORE DEAD ARE IDENTIFIED

Relief Fund Nearly $50,000 Yesterday. 25 Survivors Told Their Stories at District Attorney's Office. Features.

New York, March 29.—Arrangements for a funeral demonstration in which 150,000 sympathizers will be asked to join, identification of four more bodies, leaving but sixteen now unknown; the swelling of the relief fund to nearly $50,000, and the effort of the district attorney's office and the fire marshal to fix the blame for the catastrophe were activities which followed Saturday's fire horror today.

It is proposed to take the bodies of most of the 143 victims through the streets of the city Monday in a grtat funeral procession, headed by a chorus of 70 singers from the Jewish Chorisers' Union, followed by the 600 surviving employes of the Triangle Waist Company and as many sympathizing workers as can be induced to join. It is suggested that the procession pass from the morgue by the Washington Place building, where the fire occurred.

Twenty-five survivors told their stories of the catastrophe to assistants in the district attorney's office today, and others appeared before the fire marshal.

Dinah Lufschitz told the district attorney that when the fire alarm was first given she signalled "Fire! Fire! Escape!" by a writing machine, to the girls on the ninth floor, and followed this with a telephone message. Laughter greeted her at the other end of the receiver, she said. In a moment she ran, and made good her escape.

THE LORIMER ELECTION.

Chicago Editor Gave Sensational Testimony Yesterday.

Springfield, Ill., March 29.—H. H. Kohlsaat, publisher of the Chicago Record-Herald, told the Senate Investigating Committee today that he knew $100,000 had been used to procure the election of William Lorimer to the United States Senate. He refused to give the committee the source of his information, notwithstanding the committee has the power to imprison him because of his refusal.

When Mr. Kohlsaat was first called to the stand he was asked where he obtained his information on which he wrote an editorial saying $100,000 had been raised to elect Lorimer.

Mr. Kohlsaat declined to answer a number of questions. He said he could not violate a confidence.

Attorney Healy put direct questions to him asking if his information has said he was asked for $10,000.

"I decline to answer," he said.

"Did he say that nine other men had been asked for $10,000 each?"

"I refuse to answer."

"Is he a resident of?"

"I decline to answer."

"Is he alive now?"

"He is."

"Would you denounce any citizen who takes the stand you have taken here?" asked Senator Burton.

"Any man who will violate a confidence is not worth a snap. I would not let any court reporter violate a confidence. No newspaper man can violate a confidence. That's my code of morals."

"You have been demanding this investigation and now you refuse to aid us?"

"I appreciate the position, but I will not violate this confidence," concluded Mr. Kohlsaat.

The committee then went into executive conference. Every one except Mr. Kohlsaat, Attorney Healy and members of the committee were ordered out of the room. The questions were again put to Mr. Kohlsaat in this secret session. Again he refused absolutely to answer.

The doors were then re-opened and Mr. Kohlsaat was given a third opportunity to answer the questions of the committee. This he again refused to do. Mr. Kohlsaat was excused until 10 o'clock Thursday morning, April 6th. He was informed by the committee that its members had agreed that he must answer the questions regarding the money.

SERIOUS OFFENSE CHARGED.

Negro Youth Arrested Yesterday for Attempted Criminal Assault.

Charged with attempting criminal assault on Vielina Allen, a 13-year-old negro girl, Tuesday afternoon, Alex. Moore, Jr., colored, between 15 and 16 years old, was arrested at his home near Wrightsboro yesterday morning by Sheriff S. P. Cowan, who was accompanied by Constable Savage. The youth was brought to the city in Sheriff Cowan's automobile and placed in jail to await hearing before Justice Harriss today, the case being sent to him by Magistrate Herbert Johnston, of Cape Fear township who issued the warrant.

It appears that Moore was out hunting Tuesday and it is alleged that he passed through the yard of the Allens, a short distance from his home, and finding Vielina alone at the wood pile attacked her, his evident purpose being criminal assault. He is said to have struggled with the girl for some time and in the scuffle her clothing was badly torn. The negro, however, did not accomplish his purpose. The girl swore out the warrant before Magistrate Johnston, who transferred the case to Justice Harriss. Moore was arrested about 10:30 o'clock, being found at home alone. He was apparently asleep when the officers arrived. He denied the charge.

MRS. BELLAMY BEREAVED.

Her Brother Passed Away in Texas Tuesday—The Funeral.

Mrs. Hattie Harllee Bellamy, of this city, has received a message conveying to her the sad intelligence of the death of her brother, Hon. Arthur H. Harllee, of Silver City, Texas, which occurred at his home there Tuesday. The body will be taken to South Carolina, and the interment will be in the family burying ground. Mrs. Bellamy will attend the funeral. Mr. Harllee was 51 years old. He was a lawyer and moved to Silver City some years ago to practice his profession, in which he was most successful. He was a prominent member of the Masonic fraternity. He was unmarried. Besides Mrs. Bellamy, he is survived by one other sister, Mrs. J. F. Pearce, and two brothers, Messrs. Harry T. and Walter Harllee, all of South Carolina.

WILL MEET TUESDAY.

Trustees of Charlotte-to-Wilmington Highway to Gather at Maxton.

The trustees of the Charlotte-Wilmington Highway, as provided for in a bill passed at the recent Legislature, will meet at Maxton Tuesday of next week for the purpose of organization, and for the consideration of any other matters which properly come before the meeting. There is one trustee from each county through which the highway will pass, as follows: W. D. MacMillan, Jr., of New Hanover; A. M. Chinnis, of Brunswick; Klyde Council, of Columbus; G. H. Currie, of Bladen; A. J. McKinnon, of Robeson; Tom L. John, of Scotland; H. C. Parsons, of Richmond; T. C. Coxe, of Anson; F. G. Henderson, of Union, and F. M. Shannonhouse, of Mecklenburg. Mr. McMillan will attend the meeting.

Y. M. C. A. Officers Here.

Messrs. G. C. Huntington, State Secretary, and Mr. C. L. Gates, Field Secretary of the Y. M. C. A., were in the city a short time yesterday on their way from Raleigh to points in South Carolina for a brief visit, after which they will return to Raleigh to give further aid in the campaign there to raise funds for a Y. M. C. A. in the Capital City. Both stated that great progress is being made along all lines of association work and they expect this year to be the best in the history of this movement.

Taken to Bennettsville.

Accompanied by the bereaved parents and other relatives the body of Elizabeth McLaurin Mills, the little daughter of Mr. and Mrs. Clarence W. Mills, whose sad death occurred early Tuesday morning, was taken Tuesday afternoon to Bennettsville, S. C., the former home of Mrs. Mills, where the funeral and interment took place.

Independence, Kas., March 29.—A. A. Tuskett, 70 years old, a wealthy business man of Caney, Kas., tonight was found guilty of murdering J. D. S. Neeley, a millionaire oil operator of Lima, Ohio. The jury was out 27 hours. The verdict was second degree murder.

Washington, March 29.—Francis W. Bird, of New York, was today appointed appraiser of merchandise at that port to succeed George W. Wanamaker, who recently resigned.

TESTED and PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Wilmington readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

L. H. Partin, 505 Chestnut St., Wilmington, N. C., says: "I am very pleased to confirm the public statement I gave in February 1908, recommending Doan's Kidney Pills. I have used this remedy occasionally since then and it has always brought the best results." (Statement given December 26, 1910.)

The endorsement referred to by Mr. Partin was in substance as follows: "My back was weak and lame and I had acute pains across my loins. The secretions from my kidneys were highly colored and filled with sediment and caused me much distress when being voided. When I saw Doan's Kidney Pills advertised, I obtained a box from Bellamy's Drug Store and began their use according to directions. They acted just as represented and drove away all the symptoms of my complaint."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Girls! Girls!! Girls!!!

WE have your shoe. We say we have your shoe because we have just what you want in a one-strap sailor tie. We have this sailor tie in Cravenette and in all leathers, and what will please you most to know is that we have them at the price you want to pay—$3.50. PEARY NOW RETIRED.

Given the Rank of Rear Admiral for Polar Explorations.

Washington, March 29.—In recognition by the United States government of his North Pole accomplishment, Robert E. Peary today was commissioned a "civil engineer in the navy with the rank of read admiral on the retired list." The commission is retroactive, dating from April 6, 1909, when the explorer reached the "top of the earth." The President's action carries out an act of the last Congress which also tendered its thanks to Commander Peary.

Congress gave the explorer the highest retired pay of a rear admiral, $6,00, his previous rank being captain at $5,000, yearly.

ANAEMIA AND WEAKNESS.

Constantly Being Cured by Vinol, an Interesting Case Reported.

Greensboro, N. C.—"I would not take a thousand dollars for the good Vinol has done me.

"I was told that cod liver oil was the medicine I needed for poor blood and my weakened condition. I could not take the greasy mixture, but when my druggist explained to me that Vinol contained all the medicinal curative elements of cod liver oil, without the grease, and tonic iron added, I made up my mind that Vinol was the medicine for me.

"I tried it, and today am strong and well.—Mrs. J. T. Snider." (We guarantee this testimonial to be genuine.)

Vinol is a specific for impure, impoverished blood and it is the greatest tonic we know of.

We sell Vinol always with the understanding that if the purchaser is not satisfied with the result it gives we will cheerfully refund his money. That seems fair. Robt. R. Bellamy, Druggist, Wilmington, N. C.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

A DENIAL FROM TAFT.

Friends Say He Did Not Urge Election of Lorimer.

Washington, March 29.—Friends of President Taft today denied, as did the President in a letter last September, that he had joined Senator Aldrich in urging the election of Senator Lorimer, of Illinois. Former Senator Aldrich declined to discuss the testimony of Edward Hines, the Chicago lumber man, in which the latter declared that at the request of Senator Aldrich the lumber man went to Springfield in behalf of Mr. Lorimer.

DAVID'S

YOU may feel inclined to have a very early look at the new Spring styles in clothes, even if you are not ready to buy any; it pays a man to take enough interest in what he wears to know what other men are going to wear.

Hart Schaffner & Marx

new Spring styles are here, and ready to show to any man who wants to look at them. One thing you'll be impressed with when you look at them; and that is, the thorough way in which we have prepared to supply every need of every man in this community, in the matter of clothes; not only a great variety of attractive fabrics, colors, patterns, weaves; but all the new style creations by these greatest of all clothes makers; and plenty of them.

We'd like to have you know why we make so much of a feature of Hart Schaffner & Marx clothes. It is partly because of what we know you know about them. They're not the only clothes that are made of all-wool fabrics; but they're the only clothes you're sure of. They're not the only clothes that have style, and good tailoring, but you know they have these, and you don't know of any other clothes that you're quite so sure of.

The point is, that the name of Hart Schaffner & Marx touches a responsive note in the minds of so many men, a note that we want to sound, that we twang that string a good deal.

There's more reason than ever for making that kind of a noise about our store; for the clothes are fine; and you'll say it when yo them.

AFFAIRS AT STATE CAPITAL

New Executive Clerk—Governor at Antioch—Hearing On Mileage Book Exchange—Insurance Matters—Second $100,000.

(Special Star Telegram.)

Raleigh, N. C., March 29.—It is a notable fact that Jno. D. Warlick, who has just been appointed by Governor Kitchin to a clerkship in the executive office, that was provided for by the recent Legislature, is a step-son of E. M. Koonce, of Onslow, member of the Legislature, who was a prominent candidate for the speakership and led the fight in the Legislature for the Koonce resolution for investigation of the conduct of fire insurance companies in North Carolina, and a number of other more radical or "progressive" insurance and anti-trust measures that were successful although they were in line with the unusually "Progressive" recommendations by the Governor in his annual message to the Legislature.

Mr. Warlick comes from Onslow county and very recently completed his student career at Oak Ridge Institute. He is a native of Burke county.

Governor Kitchin spent today at Antioch, in the new county of Hoke, to deliver an education address.

The Corporation Commission gave a lengthy hearing today to officials and counsel of the principal lines of railroads in the State that participate in the inter-changeable mileage book system with a view to hearing the railroad companies as to modifications and exemptions in the application of the act of the recent Legislature for mileage exchangeu windows to be maintained in towns of 2,000 and more inhabitants, but leaving to the Commission the power of excepting any place for good cause and also the prescribing of regulations for the checking of baggage on the mileage books before the mileage ticket is procured. The Commission has the power also under the act to require the double window service at any point having less than 2,000 inhabitants where petitioning citizens show the need of it. However, this phase of the case is not figuring in the present hearing. The act is to be in force and effect May 15th and the regulations must be promulgated by the Commission by April 15th.

State Commissioner of Insurance J. R. Young today directed the chief of police in Charlotte to arrest J. J. Arlington there as the representative of the Fraternal Order of Owls on the charge of soliciting membership for an unlicensed order, the Owls having no license to place their fraternal insurance in North Carolina. Indeed, the commissioner says that a license would be refused if application was made, on the ground that the insurance feature is fraudulent. He says the Supreme Secretary of the order has admitted in official investigations that he conducts the death beneht fund for his personal benefit.

The American Union Fire Insurance Co., of Philadelphia, and the Northwestern National Fire Insurance Co., of Milwaukee, made application today to be admitted through State license to do business in this State, and the licenses will be issued as soon as the preliminary conditions are complied with.

There are being sent out from the State Department of Education the checks of the various counties participating for their portion of the second $100,000 State appropriation for providing the minimum four months' school terms of public schools. This year there was only $92,500 available on account of the $7,500 rural library appropriation having come out of this fund every second year. Then, too, there were 60 of the counties in the State asking and receiving aid from the fund. For this reason it became necessary to scale down considerably the amounts that were asked for, thereby failing in the effort to afford the four-months' term after all.

The Collodena Land and Lumber Co., of Roxboro, was chartered today with $50,000 capital, authorized and $11,000 subscribed by R. P. Early and others. There was an amendment to the charter of the Ivey & Hill Co., West Hickory, changing the name to The Ivey Manufacturing Co., G. F. Ivey being the president.

It is definitely settled now that for the pending city primamries April 17, there will be practically the same set of candidates to oppose the present administration that was defeated by them two years ago and the developments as to whether these defeated officials can "com back" at this time are being watched with the keenest interest. It is settled that James I. Johnson will stand against for mayor or in opposition to Mayor Wynne. For Police Justice there are a number of candidates, including present Police Justice Alex. Stronach, Thomas Badger, who suffered defeat at the hands of Stronach two years ago; W. P. Bachelor, and S. L. Rotter, the old lines of battles being drawn between Stronach and Badger. Present City Clerk W. W. Wilson is being opposed by Harlie E. Glenn for that office. The lines in the aldermanic contest between the Democrats are drawn much as two years ago when the most sensational campaign in the history transpired. It is not expected that the Republicans will take any hand at all in the primaries as a party leaving the fight entirely with the Democrats. A new phase of the situation is that the aldermen will this time be elected by the city at large instead of by the different wards.

Major Jno. D. Shaw, here from Rockingham, Richmond county, says he does not believe the pending Simmons-Kitchin contest will assume any very bitter status. He expects considerable spirit to be injected in the campaign but that is all. He says the people in his section of the State are for Simmons and will stick to him to the last but that they are not at all disposed to raise a row with any of the fellow citizens who may support Governor Kitchin for the senatorship. Major Shaw does not believe the ex-Governor will get into the contest at all but is not so sure about E. J. Justice, of Greensboro. He believes that while the strongest sort of pressure is being brought to bear on Governor Aycock his inclination, his health and his finances are all against it.

MRS. JOHN R. BELL,

Wife of Prominent Mount Olive Man Died Yesterday.

(Special Star Correspondence.)

Mount Olive, N. C., March 29.—A sad stillness came over the town this morning about 9 o'clock when it was announced that Mrs. Jno. R. Bell had just died, although her death was not altogether unexpected, she having been for more than five years a patient but intense sufferer with that dread disease, asthma, and all its painful results. She had been suffering a great deal for the past two years, and during the last few months had been gradually declining. The funeral will take place tomorrow afternoon, with interment in Maple Grove cemetery, this city, where her remains will be laid to rest beside her two children, Robert and Mildred, who preceded her to the grave several years ago.

Deceased was about 45 years of age, and before her marriage was Miss Lucy P. Bradshaw, of Rose Hill. She is survived by her husband, Mr. John R Bell, who is general manager of the Bell Lumber Company and of the Mount Olive Manufacturing Company. The surviving children are Mrs. Fannie F. Manly, Mrs. Gid. R. Pearsall and Miss Callie Bell, all of Mount Olive. Mrs. Louis N. Hummel, of Goldsboro, is a sister of the deceased. The sadly bereaved family have the deepest sympathy of this entire section, where they are held in the highest esteem.

Rev. J. M. Carraway returned yesterday to his home at La Grange, N. C., after a visit to his daughter, Mrs. Jesse A. McIntyre, who has been quite sick, but is slightly improved, her friends will be glad to learn.

DURHAM AFFAIRS.

Greenbergs in Court Again—Near Beer Outfit Captured—Civics.

(Special Star Correspondence.)

Durham, N. C., March 29.—A very peculiar case is now being tried in court here, in which a mother is defendant and her son is plaintiff. The case is that in which Arthur Greenberg, who was tried in the January term charged with firing his 3, 5 and 10 cent store, is the plaintiff.

About 10 o'clock last night Deputy Morgan captured a horse and buggy and ten gallons of booze near the Pendergast near-beer saloon in East Durham. He saw the buggy drive up and the owner get out and go into the beer saloon. He then called to the man, but he ran away and has not been heard from since. The officer then brought his prize up town to the court house and placed a trusty bull dog about it as guard. To this writing the owner has not come for his property.

The Durham Civic Association has received in voluntary contributions money to the amount of $350 for the purpose of carrying out their plans of beautifying the city. The donations came from several banks, the American Tobacco Company and several others.

ROCKY MOUNT AFFAIRS.

Social Club Organized by Young Men. Other News Notes.

(Special Star Correspondence.)

Rocky Mount, N. C., March 29.—Eighteen young men have organized the Entre Nous Club with membership limited to 25 for social purposes, corresponding in its features to the Idle Hour Club maintained by the young ladies. Monday night constitution and by-laws were adopted and officers elected, Mr. W. C. Darrow, president; L. Jarvis Tillery, vice president; T. A. Avera, secretary, and R. W. Rawls, treasurer. The officers and Mr. H. S. Corey compose the governing board.

Mrs. L. B. Bridgers and children, who were horribly burned to death near Middlesboro, Ky., were well known here. Rev. Mr. Bridgers assisted in a revival here three years ago and it was largely through his influence that the Clarke Street Methodist Church was founded. The sympathy of the community goes out to the bereaved ones in their deep affliction.

A Fierce Night Alarm.

is the hoarse, startling cough of a child, suddenly attacked by croup. Often it arouses Lewis Chamblin, of Manchester, O., (R. R. No. 2,) for their four children were greatly subject to croup. "Sometimes in severe attacks," he wrote, "we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds, or any throat or lung trouble." So do thousands of others. So may you. S.S.S. DRIVES OUT RHEUMATISM

The primary cause of Rheumatism results from weak kidneys, constipation, indigestion, etc., forming impure accumulations in the system. These sour and ferment, causing uric acid, which is absorbed from the stomach and intestines into the blood. This changes the circulation from a thick, rich fluid to a thin, acrid stream, depositing inflammatory matter into the muscles, nerves, and joints. The longer the blood is allowed to remain in this impure condition the more severe will Rheumatism become. Gradually the muscles harden and lose their elasticity, the joints begin to stiffen, and frequently calculous deposits form knots at the finger joints. There is just one way to CURE Rheumatism, and that is to cleanse the blood of the uric acid poison. S. S. S., by removing every particle of the cause and PURIFYING the blood, cures Rheumatism permanently. S. S. S. eliminates the uric acid because it is the greatest of all blood purifiers. It filters out every trace of the sour, inflammatory matter, cools the acid-heated blood, furnishes the material for multiplying the rich, nutritious corpuscles of the circulation, and by its fine tonic effects assists the system to rapidly overcome the effects of the disease. Special book on Rheumatism and medical advice free. S. S. S. is for sale at drug stores. *THE SWIFT SPECIFIC CO., ATLANTA, GA.*

THE MORNING STAR

Published by the
WILMINGTON STAR COMPANY, INC.,
Wilmington, N. C.

Entered as second-class matter at the postoffice at Wilmington, N. C., under Act of Congress, March 2nd, 1874.

FULL ASSOCIATED PRESS REPORT.

PUBLISHERS' ANNOUNCEMENT.

THE MORNING STAR, the oldest daily newspaper in North Carolina, is published daily except Monday, at $6 per year, $3 for six months, $1.50 for three months, 50 cents for one month, served by carriers in the city, or by mail.

THE SUNDAY STAR, by mail, one year, $1; six months, 50 cents; three months, 25 cents.

ADVERTISING RATES may be had on application, and advertisers may feel assured that through the columns of this paper they may reach all Wilmington, Eastern Carolina and contiguous territory in South Carolina.

Obituary sketches, cards of thanks, communications espousing the cause of a private enterprise or a political candidate, and like matter, will be charged at the rate of 10 cents per line, or if paid cash in advance, a half rate will be allowed. Announcements of fairs, festivals, balls, hops, picnics, society meetings, political meetings, etc., will be charged under same conditions, except so much thereof as may be of news value to readers of the paper.

Advertisements discontinued before expiration of contracts are charged transient rates for time actually published. Payment for transient advertisements must be cash in advance. Contract advertisers will not be allowed to exceed their space at same rates or advertise anything foreign to their regular business without extra charge. Advertisements to occupy special place will be charged for according to position desired.

TELEPHONES: Business Office, No. 51; Editorial and Local rooms, No. 61. Call either, if the other doesn't answer.

COMMUNICATIONS, unless they contain important news, or discuss briefly and properly subjects of real interest, are not wanted; and if acceptable in every other way, they will invariably be rejected unless the real name of the author accompanies the same, not necessarily for publication, but as a guarantee of good faith.

Thursday, March 30, 1911.

The crack of the bat on the home plate makes a noise like giving the countersign for a live town.

Lots of editors acquire the habit of being opposed to Col. Bryan and they still oppose him—mostly on Republican grounds.

The Durham Sun says: "A newspaper should be a mirror of a town." Well, if it isn't, the ladies wont look into it to see if it reflects their views.

Says the Richmond News Leader: "Dr. Henderson says we spend too much for food." Well, let 'em lower the price so we can buy more for our money.

A Denver woman who is suing her husband for divorce figured up that he has been drunk 2,032 times. The man's wife seems to have been considerable of an adder.

A Maryland man who is accused of having four wives is pretty apt to spend the Summer in jail if he can't prove an alibi in each case. The chances seem to be against him as well as four wives.

A Chattanooga man has out a writ enjoining his mother-in-law from visiting his home. Some men are mean enough to go to law before they will submit to somebody bent on keeping them from getting crooked.

Here we are talking about a free ferry and bridges to get us across the waters of the Cape Fear, while Norfolk and Portsmouth are talking about being connected by a railroad tunnel under the Elizabeth river.

Now is the time to plant flowers for the beautification of Wilmington. There are fewer flower gardens in Wilmington than in any city in North Carolina while we have the climate and the soil to have the finest gardens in the State. Let us get some city pride.

"Where is the old-fashioned mother?" inquiries the New York World. Apt as not she's at home washing the dishes so her daughter can go down town and show off her hobble skirt and new Spring hat. She doesn't want the girl to begin training to be an "old-fashioned mother" before she has her day.

The "'recall" in connection with the "initiative, referendum and recall" law places the question of impeachment in the hands of the people. The people seem to be having more and more chance to have something to do with the management of their affairs. The people must be getting to be influential with the lawmakers.

The New York World mentions the remarkable fact that a young fellow "gave up $1,000,000 for a girl." That's different from giving up $1,000,000 to a girl. However, a fellow who would give up a million for a girl would not hesitate to give up a million to a girl. It is impossible for a hero like that to lose sight of the girl, so parting from his money is the least of his thoughts.

Harper Elam, advertising manager of the Greensboro Record, used to be one of your wild-eyed volunteer firemen way back yonder when Charlotte wasn't one-half as big as Greensboro. He must have pulled with the volunteer firemen in Greensboro up to now, for a few days ago the Eagle Hose Company presented him a veteran horse which had been declared out of commission after long and faithful service. Editor Reece thinks Brother Elam's fire horse is a white elephant, but it is not the recipient who is looking a gift horse in the mouth.

REVOLUTIONS GO FORWARD.

Troublesome neighbors are expensive. Insurrection and unrest in Cuba cost the United States millions of dollars, besides an expensive war and loss of life. When this government had to interfere a second time to restore peace among the Cubans themselves, and set up their government again, it cost us many more millions. Insurrections, disturbances, unsettled conditions, agitations, turmoil and unrest in Central America have cost the United States a fabulous amount of money and great anxiety. So long as Mexicans were on their good behavior they were inexpensive neighbors, but when General Madero got it into his head he couldn't stand for President Diaz any longer, affairs in Mexico began to be retroactive, the interests of this and other nations became involved, and it disturbed our rest. Finally we are maneuvering on the frontier at a cost estimated at $5,000,000, but our arithmetic says it will be more like $10,000,000 before it winds up. However, the Star's dispatches yesterday contained promises of early peace among our Mexican neighbors and if they will settle down they will save us lots of worry and money.

Peace is much cheaper and more enjoyable than war, yet revolutions, insurgency and insurrection are not without their beneficial results. Social upheavals clarify society, political revolutions broaden the political horizon, and all armed insurrections, whether directly successful or not, result in further loosening the shackles of the masses. The tendency is toward loosening the grip of the autocrats and the despots and it is the progressive movement of the people in their determination to secure their rights and privileges.

The spirit of freedom is taking possession of the masses all over the world and it is so persistent and powerful that the czars, the iron men, the dictators and the domineers have to loosen up. It may be by degrees, but the concession to popular rights is inevitable. The reatctionary, political or social, may read his fate in the swift-flowing current of events. It requires no placid waters for them to behold the mirrored certainty that their fate will be sealed if they stand in the way of progressive movements to ameliorate the conditions of the masses of humanity. Human rights are being asserted as enlightenment spreads and intelligence is turning loose the birds of freedom. No fortress, no walled city, no standing army, no temporary barricade will avail to stay the onward march of popular freedom following in the wake of the lamp of knowledge.

That man is a fool who is a restrictionist and a reactionist, for he faces war, revolution, insurrection and overthrow. There may be bloody upheavals or peaceable revolutions, and one or both will go on until human rights are recognized and conceded. Intelligence brings about peaceable revolutions, and, therefore, education is cheap compared with the cost of ignorance which is bound under the sway of despots who rule either as monarchs or presidents who grasp power and hold it for 34 years, like President Diaz, of Mexico. The man who holds power or place against the popular will is ignorant—ignorant of the moving, irresistible and triumphant progress of human freedom. Knowledge is power and it stands for human rights. Sooner or later knowledge will overthrow the veriest despot, tnough he may be hedged about with bayonets. The firing line will give away before intelligence, for it will sheath the bayonet and beat the sword into a pruning hook.

Ignorance is enslaving the world, and the world is fighting ignorance in the schools, in the colleges and on the battlefields. Those nations which have the most intelligence have the most freedom. Enlighten the world and battleships will become relics of savagery, and armed forces will become spectres, marched beyond the range of intelligence. Education is cheap at any price when it loosens the shackles on the human masses, secures freedom, and makes peaceable revolutions or ultimate arbitration take the place of bloody and costly wars that prey on the men who can least afford to do the fighting, except when their individual rights are involved.

SELECT YOUR MEN.

No more eminent authority than ex-President Theodore Roosevelt need be quoted on the importance of the election of good men to office under the commission plan of government, of which he is an ardent advocate. Recently he made a speech in Birmingham, Ala., which is about to enter upon the modern form of government for progressive cities, and he spoke to them straight from the shoulder as to the importance of electing good men under any form of government. Endorsing the commission form, he nevertheless made some qualifications, which are pertinent in Wilmington just now. He said:

"Now, I believe in the commission system, and I am glad you are going to try the experiment; but I would like to say one word of warning to you, based upon 30 years of mighty active experience in practical politics. Don't you ever imagine that you can invent any patent system of government which will work by itself if you don't act the part of good citizens. You need good laws, for if the laws are bad the best men cannot produce very good results out of them. You need good laws and you need to try every good governmental expedient; but after they have been adopted don't forget that the root of the matter lies in the character of the individual citizen."

To illustrate his warning Colonel Roosevelt called attention to South American Republics, which, with governmental systems similar to that of the United States, had failed to establish successful government. He continued: "And now you are going to try an experiment which I think is fraught with infinite promise for good. For I believe in the short ballot and I believe in efficiency, in responsibility and we have a right to look to you, the people of Birmingham, to see that you do your duty under it and make the form of government work well."

Were the distinguished ex-President to visit Wilmington right now, he could not speak more pertinently than he did to the Alabamians. The adoption of the commission plan of government imposes a duty of good citizenship which none can escape. It is every man's bounden duty to qualify himself at once for the exercise of his franchise by registering at the various polling places; then survey the field of candidates; select men upon whom he would not hesitate to place his individual business responsibilities and vote accordingly in the primary to be held April 18th.

The eyes of the people of the State are upon Wilmington in her adoption of the commission plan of government. It rests entirely with the people at the polls as to whether or not the new government is to be a howling farce or a straightforward, business administration. The duty of citizenship in this campaign cannot be impressed too strongly upon the people, who should be relied upon to govern themselves, for have not our fathers impressed upon us that a "government, for and by the people" is the only foundation upon which our country rests?

LEGISLATIVE EDITION.

The Raleigh News and Observer for many years has issued a legislative edition subsequent to the sitting of each General Assembly. In accordance with that altogether praiseworthy custom, our esteemed Raleigh contemporary on Tuesday sent out with its regular edition a 44-page magazine supplement containing a summary of the proceedings of the Legislature at its 1911 session, which began in January. The digest of the acts, resolutions and appropriations is as comprehensive as the scope of the supplement would allow and we are sure the ground is so well covered that it makes the "legislative edition" one altogether valuable and desirable for those who wish to get a clear insight by a mere glimpse of the proceedings of the General Assembly.

We place value upon our copy, for it will be a good thing to file away for ready reference or a sort of index that may often be used to great advantage. The summary of the Legislature's work is interesting, and, as the Star several times remarked during the session, the full merits of the legislation enacted would not be known until after the General Assembly adjourned when its product could assume some definite shape in printed form or summary. The News and Observer's legislative edition, therefore, enables one to get a pretty good idea of the calibre and achievements of the General Assembly, for the newspaper men who have produced the summary have done their work admirably and in a manner that makes the publication one of easy reference.

Editorially, the News and Observer concludes that the General Assembly "has done well many things it should have done—and has left undone some things it might well have done." The Raleigh editor also observes: "Wise and progressive legislation has been placed upon the statute books of North Carolina by earnest and faithful men and if many matters of grave public import failed, why, without doubt the way has been made more easy for their accomplishment by the General Assembly of 1913."

"We are here today and gone tomorrow." That is if we don't get something to do at home. Other States and cities are offering employment and opportunities and making all sorts of bids for people. If Wilmington wants to keep what she has, much less bring in others, she will have to establish industries. It is the industrial towns that are growing and absorbing the population of dope towns. When, and also at what time, will we get a move on us?

The largest vote ever cast in Wilmington should be polled May 18th at the city election to be decided upon the officials who are to administer our changed system of municipal government. If a matter of such serious consequence as that cannot arouse the citizens of Wilmington, their apathy indeed will be inexcusable. It is every man's solemn duty to register and vote for councilmen, for failure to achieve something notable for Wilmington cannot be blamed on those who vote but upon those who remain away from the polls, indifferent to the best interests, and, perhaps, the fate of their city. A city needs to pray for deliverance from citizens who "hang back" and let their city take care of itself the best it can.

CURRENT COMMENT.

An aged Albany woman dying without kin left an estate of $17,566 which in its progress throught the courts has dwindled to $3,353. The law in this case appears to have taken its regular course.—New York World.

The American Telephone and Telegraph Compaany issued yesterday its annual report for the year ended Decenmber 31, 1190. Net earnings for the year were $31,933,214, as compared with $30,190,765 in 1909. The year's balance of $26,855,893 is equal to 10.2 per cent. on the $263,335,600 capital stook, as compared with a balance equal to 9.01 per cent. on a capitalization of $256,475,300 in the previous year. The surplus stood at $6,079,071, which compares with $6,059,112 a year ago.—New York Sun.

In view of the intense interest manifested in the Bland-Hawkins campaign for mayor, the absence of badfeeling is a gratifying feature. The campaign is warm, but is not being carried on along the fist-smashing lines of former days. Each side has a large force of workers in the field and while they may not feel like brothers toward each other, one side recognizes the right of the other to pull for votes. Statements have been made and answered in plain business-like way, with no abuse and no display of venom. It would look as if each side recognizes the value of keeping its temper and is straining every nerve to maintain that advantage. Opportunity for knocks have not been lacking, but wise counsel is holding the upper hand. It is a warm, but a decent campaign. The hope may be expressed that it will continue so to the end.—Charlotte Chronicle.

Senator Benjamin R. Tillman, of South Carolina, who has been in declining health since he experienced a second stroke of paralysis, may never appear in the Senate again. He is at his South Carolina home, wnere he went immediately following the adjournment of Congress, and has been enjoined by his physicians from doing anything that may excite him. A few days ago Senator Tillman was summoned as a witness in the divorce case of Mrs. B. R. Tillman, Jr., against his son, but on the written statement of his attorneys, he was excused from testifying by the trial judge, who postponed the case indefinitely. When informed by his physicians that he must remain at his country home and give up his congressional duties the Senator remarked to one of his congressional friends who was visiting him: "I had hoped and wished to be able to go back to Washington for the extra session, just to see a Democrat sworn as senator from Maine, but I do not suppose I am going to have that pleasure. I have always wanted to live and serve with a Democratic senator from New England, and I trust that my wish will yet be gratified."—Correspondence New York Sun.

BUSINESS—NOT POLITICS.

Commission form of government is a business proposition. There is no politics in it. The government is a corporation, and the tax payers the stockholders. In commercial life stockholders see to it that the most capable directors are appointed. In government these are councilmen or commissioners, and the same rule of fitness and competency should govern in one case as in the other. The analogy is not complete, because the commercial corporation is more readily accountable to the stockholders. Because of this fact, the stockholders in the public corporation—the tax-payers—should exercise greater prudence in the selection of the public directors.

A man who could not be selected to fill the responsible position of director in a commercial corporation should have no standing with the public in his aspirations to serve as a director in the public corporation.

By this rule the voters should judge every candidate for councilman. This is a cold business proposition, and the rule of the survival of the fittest should be strictly applied.

Lady in Rocky Tells About Her Troubles and the Way She Finally Got Good Results.

Rock, Okla.—Mrs. Lizzie Smith, of this place, says: "I suffered six years with womanly trouble, and am unable to describe what my feelings used to be. I had pains in my back, and such dragging down feelings I was almost unable to stand on my feet.

I could not sleep at night, and I had heart trouble so bad, I almost dreaded for night to come. Though I had a good doctor, he did not do me much good. At last, he told my husband to try Cardui, which I did.

Since taking Cardui, I can do my work, right along. I owe my life to Cardui and I thing it is the best medicine ever made. I would not keep house without it.

I owe a debt of gratitude to Cardui for what it has done for me, and I certainly recommend it to all sick ladies."

Cardui has been in successful use for more than 50 years, and during that time has benefitted more than a million weak and ailing women.

Mrs. Smith is glad she took her doctor's advice and tried Cardui. We urge you to try it for your troubles.

Error in Amount of Judgment Against Carolina College.

(By Long Distance Telephone.)

Rocky Mount, N. C., March 29.—The special in this morning's Star from Nashville, N. C., giving the judgment of the Superior Court in the case against the Carolina College at Maxton was evidently badly curtailed in transmission. The amount should have been $2,093.25 with interest since 1908. Mr. John C. Stout, the well known contractor and builder here, requests that this error be corrected.

INFLAMMATION AND PAIN

Cured by Lydia E. Pinkham's Vegetable Compound.

Creston, Iowa.—"I was troubled for a long time with inflammation, pains in my side, sick headaches and nervousness. I had taken so many medicines that I was discouraged and thought I would never get well. A friend told me of Lydia E. Pinkham's Vegetable Compound and it restored me to health. I have no more pain, my nerves are stronger and I can do my own work. Lydia E. Pinkham's Vegetable Compound cured me after everything else had failed, and I recommend it to other suffering women."—Mrs. Wm. Seals, 605 W. Howard St., Creston, Iowa.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.

SPLENDID LETTUCE CROP

Truckers' Journal Says It Is Record Breaker in New Hanover and Around Wilmington—Shipments Daily.

The following relative to the increased lettuce acreage in New Hanover county is from the current issue of the Carolina Fruit and Truckers' Journal, published in this city:

"The planting of field lettuce around Wilmington this season have been increased so greatly during the past few weeks that the acreage is greater at this time than possibly ever before in the history of the industry. This will come somewhat in the nature of a surprise to many people, but such is nevertheless a fact. Bed lettuce acreage is about up to the normal of last year and previous years, but the field lettuce growers seem to have taken fresh courage from last year's prices and crop and without letting the 'right hand know what the left hand was doing,' continued to increase their plantings until the acreage around here is something immense. This crop will not begin to move to any appreciable extent before April and May, the seasons having much to do with its maturity.

"Now this increased acreage does not mean that the growers have gone about planting lettuce recklessly as some might think, for they have given unusual care and consideration to the manner in which they have increased their plants and exercised more than ordinary pains in all they have done. It is therefore reasonable to expect a very substantial increase in the crop returns this year and although the prices that have ruled thus far on shipments going out from this territory have not been very encouraging, we still believe that the field lettuce crop is going to bring the growers in a good round sum. At the time this field lettuce ripens the Florida and South Carolina crops will have been exhausted and the growers hereabouts usually have little competition from lettuce maturing at that time.

"The Wrightsboro Truck Growers' Association shipped out their first car load last week, the average price of which was around $1.50 per basket. Shipments North now are made daily in car load and less than car loads and the latest quotations are all the way from $1.50 down to $1.10. The Florida and South Carolina lettuce crops, however, are at the height of their movement and this makes competition with North Carolina stock very keen. The lettuce crop distributes annually several hundred thousand dollars among the growers immediately around Wilmington for it is within a radius of a few miles of this city that the greatest amount of lettuce is grown. It is, therefore, a crop in which our people are all especially interested, the merchants and bankers as well as the growers and transportation companies.

"Of course, there is a good round quantity of lettuce grown at points like Rocky Point, Burgaw, Wallace, Willard, Faison and Mt. Olive, up on the W. & W. R. R., but it is safe to say that there is more grown within the county of New Hanover and tributary to Wilmington than all elsewhere combined. The local market is now being well supplied with a very choice quality and it is finding a ready demand among our own people at fair prices. But you may keep your eyes on the lettuce crop hereabouts. It is going to be a record-breaker this year."

CASE IS MADE STRONGER.

Shoes Secured by Highwaymen Saturday Night Located Yesterday.

The vidence against Chas. Fowler and Council Stanley, colored, charged with holding-up and robbing William Nixon and William Green, respectable colored men, in East Wilmington, late Saturday night, was materially strengthened yesterday, when the shoes alleged to have been stolen from the cart of the victims of the hold-up were located and recovered through Sheriff S. P. Cowan's office. The shoes were found in the possession of James Clark, colored, who stated to the officers that he purchased them from Fowler Sunday morning for $2. A representative of Mercer & Evans, shoe dealers, identified the shoes as being sold Saturday night to one of the victims of the highwaymen. On the inside of either shoe was the mark of the dealer and the clerk making the identification remembered having sold the shoes Saturday night, his memory being so clear as this particular pair on account of the fact that they were such large size, No. 9 1-2. There are so few calls for shoes of this number that only a few are carried in stock.

FIRE AT GRISTS, N. C.

Store of Mr. William Struthers and Postoffice Destroyed—Others.

A long distance telephone message last night to Mr. William Struthers, Jr., from his father, Mr. Wiliam Struthers, of Grists, Columbus county, brought news of a destructive fire in that town yesterday evening about 6:30 o'clock. An oil tank in the store of Mr. Struthers suddenly gave way and oil ran over the rear of the store, suddenly flaring up in a blaze from the stove, Mr. Struthers having a narrow escape from the store without saving anything. His loss is between $1,000 and $1,500 upon which there was no insurance. The store was owned by Williamson & Nance, of Cerro Gordo, and the loss is about $600. The store of Mr. G. M. Hemenway and another small house in close proximity were also burned. The loss and insurance upon the latter could not be learned.

BREAK UP PISTOL CARRYING

Recorder Gives Negro Nine Months for Carrying Concealed Weapon. Other Cases Investigated Yesterday.

Doubtless having in mind the large number of shooting affairs occurring in the city recently, some serious and some not so serious, and probably feeling that the most effective way to check the wave of this character of crime is to make the punishment for carrying a concealed weapon so severe that a person dare not venture off his premises with a pistol in his pockets, Recorder Furlong yesterday morning sentenced one negro to nine months on the county roads for carrying a weapon of this kind. The defendant was Council Stanley, arrested Monday afternoon with Chas. Fowler.

Fowler was convicted of carrying a concealed weapon in two cases, but judgment was reserved until this morning, pending hearing of a charge of assault with deadly weapon against him. It is charged that Fowler cut and painfully wounded Wise Merritt in the vicinity of 11th and Princess streets late Saturday night. It will be recalled that Fowler and Stanley were bound over by Justice Harriss Tuesday to the next term of Superior Court, to answer the highway robbery charge, this in addition to the cases now being investigated in the Recorder's court.

The sentence imposed upon Stanley was pretty generally commented upon yesterday and met the approbation of everyone who was heard to express himself. It is believed that the Recorder intends to dose out pretty stiff medicine to those convicted of "pistol toting," a fruitful source of crime; at least the sentence yesterday would indicate as much.

Laura Kelly, a colored restaurant keeper in Love's alley, who shot a negro patron Monday night because he would not pay for a meal he had just devoured, was tried on a charge of firing a pistol in the city limits, judgment being suspended upon payment of costs. The warrant charging assault with deadly weapon, sworn out on Tuesday, was not served. It is understood that there were not witnesses by whom it could have been shown that she shot at a negro, so the assault case was not prosecuted.

W. M. Mills, a white man, was required to pay a fine of $5 and costs for drunkenness and disorderly conduct. Andrew Evans, colored, was assessed $10 and costs for disorderly conduct, which he paid and was released.

A VERY SAD DEATH.

Young Mr. Carl Otersen Passes Away After Lingering Illness.

Friends will regret exceedingly to learn of the sad death of young Mr. Carl Otersen, son of Mr. and Mrs. W. G. A. Otersen, which occurred at 9:10 o'clock yesterday morning at the home of his parents, No. 710 North Third street, afte a lingering illness with tuberculosis. Just concluding the 18th year of his life that gave great promise but for the dread disease with which he was afflicted, the death of young Mr. Otersen is very sad and the tenderest sympathy of friends goes out to the loved ones in this their hour of sorrow.

While the death was not unexpected, it came as a sad blow to the family. The young man had been afflicted for several years with tuberculosis and on that account had to give up his position with the Swift Fertilizer Works, later entering the employ of Messrs. Stewart & Otersen, of which his brother is a member of the firm. However, his health soon gave way again and about January 1st had to give up work altogether, practically since which time he had been confined to his home. Mr. Otersen was born April 20th, 1893, and was a young man of splendid promise, possessing an even disposition and those traits of character which would have made him a man of usefulness in his city and community. Besides the sorrowing parents there are surviving three sisters, Mrs. J. S. Davis and Misses Emma and Lina Otersen and two brothers, Messrs. William and Adolph Otersen. The funeral will be held at 3:30 o'clock this afternoon from the residence, thence to Oakdale cemetery where the interment will take place. The services will be by Rev. W. A. Snyder, pastor of St. Paul's Evangelical Lutheran Church, of which the young man was a devout member, assisted by Rev. H. E. Beatty, pastor of St. Matthew's English Lutheran Church.

ABANDONMENT CHARGED.

Negro Arrested Yesterday for Failure to Provide for Wife.

While returning to the city yesterday morning from Wrightsboro, where he went with Sheriff Cowan to arrest a negro charged with attempted criminal assault, Constable Savage ran across Jim Davis, colored, for whom he had two warrants—one charging him with abandonment and non-support of his wife, and the other with assault upon his wife. The negro was taken in the automobile with the other prisoner and brought to the county jail. The hearing took place before Justice Harriss late yesterday afternoon. Davis entered a plea of guilty to the assault charge and was assessed the costs. He pleaded not guilty to the other charge, but probable cause being found he was bound over to the Recorder's court, where he will be tried today. He went to jail in default of bond.

CAPT. JESSE O. WIGGS DEAD.

Thirty-Five Years in Employ of Coast Line and Esteemed Citizen.

Throughout the city and elsewhere in this section of the State where he was well and favorably known, the news of the death of Capt. Jesse Oliver Wiggs, which occurred at 6 o'clock yesterday evening at his home, No. 410 Brunswick street, this city, will be received with the greatest regret and sorrow. Capt. Wiggs had been in poor health some time and last Saturday suffered a stroke of paralysis from which he never recovered. He was in the 61st year of his age, having been born December 28th, 1850. For 35 years he had been in the service of the Atlantic Coast Line and was held in the highest esteem by all who enjoyed his acquaintance. He is survived by his wife, Mrs. Minnie J. Wiggs and seven children, Mrs. W. R. Middleton, Misses Cora Inez, Bertha Lily, Mrs. LeRoy C. LeGwin, all of this city; James Oliver Wiggs, Esq., an attorney of Norfolk, Va., Henry Arnold Wiggs, an engineer of Newbern, and Dr. Leslie B. Wiggs, of Richmond, Va.; also one brother, Mr. Isaac Wiggs, of Norfolk, Va., and one sister, Mrs. Mary E. Wolf, of Charleston, S. C. Dr. Wiggs, Mr. H. M. Wiggs and Mr. J. O. Wiggs, wife and little son, are already here for the funeral and Mr. Isaac Wiggs will reach the city today.

Capt. Wiggs was a charter member of Hanover Lodge No. 145, I. O. O. F., and also of Stonewall Lodge No. 1, Knights of Pythias. Members of Hanover Lodge and all other Odd Fellows who can do so are called to assemble at their hall this afternoon at 3 o'clock for the purpose of attending the obsequies in a body. The funeral will be conducted at 4 o'clock this afternoon from Brooklyn Baptist Church, of which he was a devoted member, conducted by Rev. C. F. Whitlock, the pastor, and the interment will be in Oakdale cemetery.

BASEBALL THIS WEEK.

Kinston nd Wilmington High Schools Play on Local Diamond.

The Wilmington High School will open its baseball season with games Friday and Saturday with the Kinston High School team, and the local team confidently expects to capture the honors of the contests. The team this year is probably the strongest ever put out by the local High School, in the opinion of Prof. Hamilton, principal of Hemenway School, who has been coaching the boys for the past month, it will take a good team to beat the locals.

Last year Kinston claimed the championship of the State among the High Schools, but would not give Wilmington a chance at her after putting in this claim. The Wilmington boys are going in the contests this week to win and will be backed by the entire student body of the High School, who have formed a rooting club to cheer the team on to victory. The line-up for Wilmington will probably be as follows: Blue, p; Burnett, C., c; Burnett, R., (captain), 1b; Stein, 2b; McIntyre, 3b; Taylor, ss; Alderman, rf; Shaw, lf. Substitutes, Penny, Wright, Stone, Hall and Williams.

Kinston also has a strong team and will put up a hard fight. The visitors will probably arrive Thursday morning. The finacial success of the local team this season will depend largely upon the attendance at the games Friday and Saturday, so it is hoped that as many of the fans as possible will be on the grounds. The games will begin promptly at 3:30 o'clock. The admission will be 25 cents for adults and 15 cents for children.

LAYMEN'S MOVEMENT.

Episcopal Parishes of City Organize for More Effective Work.

At a meeting held in Saint James Parish House, Tuesday evening, an association of men, from the four Episcopal parishes of Wilmington, was formed, which, it is hoped, will prove the beginning of a strong organization and a power for good among men.

The name adopted for the association was the "Laymen's League."

Section 2 of the Constitution states very concisely the objects of the League. "Its objects shall be to draw together the laymen of Wilmington into a closer fraternal and social contact, and to unite them into a definite organization for the promotion and administration of all such interests, social, ecclesiastical, civic and missionary, as are of mutual concern to the laymen of the Episcopal church in this community."

Geo. B. Elliott, Esq., was elected president of the league, to whose efforts more than any other the success of the movement is due; and a vice president from each of the four parishes was elected, as follows:

Geo. B. Gaylord, Saint Paul's parish; Donald MacRae, Saint James' parish; W. G. Cleaper, Saint John's parish; J. H. Burriss, Chapel of the Good Shepherd parish.

Mr. Bertram Quelch was elected secretary-treasurer.

MR. W. T. COSTIN DEAD.

Passed Away at Sumter, S. C.—Body Brought to This City.

Many friends in Wilmington and throughout the county where he formerly resided, learned with infinite regret yesterday morning of the death of Mr. Wesley T. Costin, who died at his home at Sumter, S. C., Tuesday night. Mr. Costin was 64 years old and was a prominent business man of Sumter, where he had lived since leaving this county some years ago. The body was brought to this city on the late Coast Line train last night and will be taken this morning to Masonboro Church, where the funeral services will be held at 11 o'clock this morning. The interment will be in the graveyard there.

NOTES OF BOYS' BRIGADE

Arrangements Being Completed for the Annual Bazaar to be Held Next Week—The Baseball Team in League.

The details in connection with the bazaar to be held at the Boys' Brigade armory Monday, Tuesday and Wednesday nights of next week, are rapidly being completed and the full plan is assuming definite shape. The booths are about completed and will be turned over to the decorating committee today. The designs are all unique and when fully decorated will present a most beautiful appearance.

All committees are working enthusiastically to make their various parts a great success and judging from present indications they will achieve great results. The attendance in the past has averaged about 300 people each day during the bazaar and unless the indications are misleading, this large number will be greatly exceeded this year. The committee is planning to accommodate about 1,200 people during the three nights.

On each of the three nights in addition to the regular features of the bazaar there will be a special entertainment of a very enjoyable nature which will be worth any one's time spent at the armory. The young people are anticipating this affair with keen pleasure for they will certainly have a good time in a thoroughly appropriate manner. There will be something for every person attending to enjoy and great crowds are sure to take advantage of this opportunity.

Baseball matters are assuming definite shape. Mr. W. R. Dosher has been elected manager. The aspirants for team honors will meet at the armory on Saturday night when the details will be arranged. A field on Fourth and Castle streets has been leased and practice will begin in earnest next week. The team uniform will be ordered next week. It will be dark blue with white trimmings. The Brigade has several good players among its members and a strong team will be put out this season.

LAST OF WINTER CRUISING.

Cutter Making Final Trip of the Season Over the District.

The Winter cruising of the revenue cutter service along the Atlantic coast ends April 1st. The revenue cutter Seminole, Capt. Crisp, is now making her final trip of the season over the southern portion of the district, extending as far south as Charleston, S. C. From the first of December to the first of April, known as the "strenuous" season in the service, cutters all along the coast are continually on the move to assist vessels in distress and destroying wrecks which are a menace to navigation. They are instructed by the Department not to remain in port more than 24 hours at one time during this season. The Winter on the Carolina coast has been unusually mild, compared with last season, and the wrecks have been less in number than in several Winters past.

The Seminole will return to port the latter part of the week. She will remain here indefinitely ready to respond to calls for assistance and make occasional cruises until she is ordered North for regular Summer repairs.

Pure Skimmed Milk Is a Wholesome, Nourishing Food

The United States Government Says So

Skimmed milk is simply milk from which the fat has been removed. This leaves in the milk all the food solids, called protein, all the most nourishing part of the milk.

The United States Government says: "After the removal of the fat in the cream, the skimmed milk has all the value of the whole milk for building and repair of tissues and for the making of blood, muscle and bone." (U. S. Gov't Bulletin No. 74.)

The fat only serves to give heat to the body; it has no building-up value. The building-up is done by the proteids (food solids), ALL OF WHICH ARE LEFT IN THE SKIMMED MILK.

Square Brand Condensed Skimmed Milk

is one of the most nourishing and economical foods you can buy. It's fresh cow's milk with the fats mechanically removed, part of the moisture taken out in vacuum, and preserved with pure cane sugar. It has all the food value of whole milk, it is more easily digested and it costs less.

If you want Condensed Whole Milk use Hires Brand—the best condensed milk at any price.

REHEARSALS BEING HELD FOR "LITTLE PRINCESS."

Those who are to take part in the presentation of "The Little Princess," under the auspices of the Ladies' Auxiliary of the Y. M. C. A., are rapidly learning their parts and interest is growing daily as the different scenes take form. There is need for still more children as many of the important parts have not yet been taken. All children who desire to take part in the production are requested to be at the Woolvin hall, over the offices of the Tidewater Power Co., this afternoon. An invitation is also extended by Mrs. R. W. Hicks, president of the Ladies' Auxiliary, to all young people of the city to be present at the hall at 8 o'clock tonight for their first rehearsal.

PRETTY HOME WEDDING UNITES POPULAR COUPLE.

Many friends in this city and elsewhere throughout this section of the State will be interested in the announcement of the marriage of Mr. Llewellyn E. Woodbury, of this city, and Miss Margaret E. Henry, daughter of the late Mr. J. C. Henry, of Brunswick county, which was celebrated at 8 o'clock last night at the home of the bride'se aunt, Mrs. McKoy, No. 518 South Third street, with whom she has been making her home for the past few years. The impressive ceremony was performed by Rev. G. T. Adams, pastor of Fifth Street Methodist Church. It was a very quiet home affair, beautiful in its simplicity, there being in attendance only members of the immediate families and a few intimate friends. Mr. and Mrs. Woodbury will reside at No. 207 South Front street.

Mr. Woodbury is a son of Mr. E. C. Woodbury, of this city, and is a well known and prominent young business man, being an extensive dealer in lumber. He is very popular with a wide circle of friends in this city and elsewhere and they will learn with much interest of his marriage. His bride is a charming and attractive young lady who has made many warm friends since her removal to this city by her many lovable traits of character. Friends of Mr. Woodbury will congratulate him upon winning the heart and hand of one so fair. Mr. and Mrs. Woodbury will receive the felicitations and best wishes of a wide circle of friends.

MISS HELENA LAMOND BRIDE OF MR. JOHN M. MATHERS.

Mr. and Mrs. James Sprunt gave a pretty wedding at their beautiful and hospitable home on South Front street yesterday at noon to Miss Helena Eugene Robertson Lamond, of Dundee, Scotland, and Mr. John Morrison Mathers, a prominent road engineer and landscape gardener, formerly of Scotland, but now in charge of the construction of the county macadam road to Federal Point township. The ceremony was performed in the conservatory by Rev. Dr. John M. Wells, pastor of the First Presbyterian Church, and Rev. J. S. Crowley, pastor of Immanuel Presbyterian Church, and there were in attendance only a few relatives and friends. Mr. David H. Scott, formerly of Scotland, was best man, and Miss Isabelle Lamond, sister of the bride, was maid of honor, arriving a few weeks ago from Dundee, Scotland, to be present at the ceremony. Following the ceremony a typical Scotish dinner was served. The bride is a most attractive young lady. She has been in this country only three months. Mr. Mathers arrived about six months ago and for some weeks was engaged in landscape gardening at the Orton Plantation and was later engaged by the county to have charge of the construction of the Federal Point road. He has made a wide circle of friends in this city and section. On one of his visit to Scotland Mr. Sprunt was so impressed with the splendid work of Mr. Mathers that he induced him to come to his country, and, as stated, engaged his services on the beautiful Orton place for some weeks, lending him to the county for a few months upon the request of the chairman of the Board of County Commissioners. Mr. and Mrs. Mathers will make their home in this city.

PERSONAL PARAGRAPHS.

—Mr. R. J. Hester, of Elizabethtown, was a business visitor in the city yesterday.

—Mr. E. F. McCulloch, of White Oak, N. C., has been spending a few days in the city. He returned home yesterday.

LOCAL DOTS.

—A notice was posted at the Chamber of Commerce yesterday stating that the Chicago Board of Trade will be closed on April 4th, on account of the municipal election in that city.

—The closing exercises of the school of Leland, Brunswick county, will take place Tuesday evening of next week. The sermon will be preached by Rev. J. S. Crowley, pastor of Immanuel church.

—The Norwegian steamer Fritzoe cleared from Charleston, S. C., for this port yesterday to discharge the remainder of her cargo of fertilizer material. The steamer will arrive within the next few days.

—It was stated yesterday that Jim Mack, colored, who was seriously stabbed Tuesday afternoon by John Robinson, colored, will recover unless complications arise, but that it will be a week or ten days before he will be able to be out.

—Deeds were filed for record yesterday as follows: E. K. Bryan, commissioner, to N. M. McEachern, for $650, lot on southwest corner Ninth and Howard streets; Susan A. Love to John G. Kuhlken, for $10 and other considerations, lot on east side of Love, 60 feet north of Swann street, 30x75 feet in size.

—The funeral of Calathon Core, the 16-months-old daughter of Mr. and Mrs. William Core, was held from the family residence, No. 915 South Fifth street, yesterday afternoon at 1 o'clock, conducted by Rev. J. S. Crowley, pastor of Immanuel Presbyterian church, and the interment was in Bellevue cemetery.

—The closing exercises of Wrights-Loro Union School this year will be held Friday evening of this week, beginning at 7:30 o'clock. An attractive programme has been arranged for the evening. Following the exercises by the children, the sermon will be preached by Rev. J. S. Crowley, pastor of Immanuel Presbyterian church, after which refreshments will be served.

—Residents of Brooklyn, and other portions of the city for that matter, can now hear the bell at Fourth and Campbell streets when an alarm is given, the work of removing the bell from its former location and placing it in the open in the tower having been completed by the contractors, the Brunswick Wood & Coal Co. The wire connections were made by Mr. John T. Yates, superintendent of fire alarm.

—Mr. J. T. Canady, of Greenville Sound, was arrested yesterday morning by Constable Savage on the charge of shipping clams out of the State after the close of the season, March 25th, and will be given hearing before Justice Harriss Saturday. The arrest of Mr. Canady follows the finding by Constable Savage of a large shipment of clams at the local freight depot of the A. C. L. consigned to points outside the State, as told in yesterday's Star.

Their Infant Daughter Dead.

Friends of Mr. and Mrs. A. H. Jones will tenderly sympathize with them in the death of their infant daughter, Katherine, aged 19 months, which occurred at the family home, No. 7 1-2 South Second street, at 10:30 o'clock last night, after a brief illness. The child was particularly bright and the tenderly devoted parents are deeply bereaved in the death. The funeral arrangements will be announced later.

Interchangeable mileage and exchange tickets sold at uptown office of Seaboard Air Line, at The Orton Hotel. 3t.

Freckle-Face

New Remedy That Removes Freckles or Costs Nothing.

Here's a chance, Miss Freckle-Face, to try a new remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles, while if it does give you a clear complexion, the expense is trifling.

Simply get an ounce of othine—double strength, from J. Hicks Bunting Co. and one night's treatment will show you how easy it is to rid yourself forever of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask J. Hicks Bunting Co. for the double strength othine, as this is the only prescription sold under guarantee of money back if it fails to remove freckles.

Grand Theatre.

Today's bill at this popular resort is again one full of good refined comedy. There is possibly no form of entertainment these days that is as popular as seeing the funny side of life. "Baby's Fall" is a story played by the Edison Company, and is one of the cleanest and nicest comedy productions seen in some time. Boby lives in an upstairs flat and just as mamma enters the room baby is seen going out of the window. Scared nearly to death the mother does eveductions seen in some time. Baby falls into an awning at one of the first floor windows and is unharmed. The funny part of the picture shows everybody looking for baby who is having a fine time all cuddled up in the awning. Other pictures on the bill are "A Saw Mill Hero," "The Department Store," and "Francesco Di Remini." The pictures are all new and contain two very funny pictures besides two great dramatic productions. Mr. Henry will sing a song that will especially be pleasing to the children, "Curley Head," which has beautiful illustrations and very catchy music. The Grand these days is putting up a class of programmes seldom equalled but never excelled, and any one looking for an ideal place to rest will find the Theatre Beautiful the finest place in the land. Doors open at 11 A. M.

At the Bijou.

It was another great bill the Bijou presented yesterday. The programme was in artistic merit truly in keeping with the delightful weather, and the ever popular theatre was crowded with ladies and children in the afternoon, the Bijou seeming to be a mecca in the afternoons, and last night it was a perfect jam. Nothing better exemplifies the popularity of the Bijou than the enormous daily attendance. Of course, there is a reason, and it is found in the splendor of the Bijou's offerings. Three reels of new pictures every day, with a beautiful illustrated song and other features, all for five cents, is indeed tempting. The pictures, too are always the very latest and the very best. Today's bill will be another "corker," consisting of the very finest in the motion picture world. The management again requests that attention be directed to the fact that the three reels of films it announces for every day are presented in the aftrnoons, as will as at nights.

Joyland.

Today's programme at the popular little theatre on Market street will be up to the usual high standard, and will be a delightful mixture of comedy, drama, and scenic productions from the leading film manufacturers of the world. The feature film will be an elaborate comedy by the Rex Film Company, and will be followed by an Imp. feature comedy that will bring the laughs from everyone. Another big one will be "Artful Kate," which is over a thousand feet in length. Mr. Reilly will sing "I'll be Waiting When the Sun Goes Down," a big New York success which is being sung by Miss Blanche Ring.

MERCHANTS' ASSOCIATION.

Regular Meeting Tonight in Rooms of the Chamber of Commerce.

The regular monthly meeting of the Wilmington Retail Merchants' Association will be held tonight at 8 o'clock in the rooms of the Chamber of Commerce. All members are urged to attend. There are a number of matters of considerable interest and of importance to the members to be discussed and it is desired that all be present. The association was never more active than at present and it is proving of great value to the large number of merchants included in its membership.

Was Not Insistent.

Magistrate J. H. Sykes, of Delgado, whose name was mentioned in The Star Tuesday morning in connection with the arrest of Clarence Summerlin, the white youth charged with murder, takes exception to the following sentence in the story: "Magistrate Sykes is understood to have insisted that he should have the prisoner as he was the first man to take charge of the case." Mr. Sykes objects to the word "insisted," stating that he did not insist to Sheriff Cowan that the prisoner be turned over to him for trial, merely commenting during the conversation with Sheriff Cowan that he thought the proceeding unusual, if not irregular. Mr. Sykes says that the had no interest whatever in the matter except to do his duty as he saw it, and as far a preliminary hearing, he had advised the boy's father, before counsel was retained, that he had best waive examination and let the boy be ecommitted to jail to await the action of Superior Court. Mr. Sykes feels that the sentence above quoted placed him in a false light in the community, making it appear that he was over anxious in the case, when he was merely endeavoring to do his duty, and it is hoped that this statement will have the effect of doing away with any such impression that may have been gained.

Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows:
"When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."

Another from Newark, N. J.
"I have been using Danderine regularly. When I first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and $1.00 per bottle

Danderine enjoys a greater sale than any other one preparation regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

Cut This Out **FREE** To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the KNOWLTON DANDERINE CO., CHICAGO, ILL., with their name and address and 10c in silver or stamps to pay postage.

"ASK BILL"

Your friend Bill, who is driving a Chalmers car, will tell you that he has not only bought the utmost in automobile value that could be secured for the amount of money invested, but in addition he has bought Gibbes Service.

And Gibbes Service means that knowledge, reliability and responsibility is back of his investment.

It means that an intimate experience of automobile values has been brought to bear on his particular case and that the largest and best equipped plant in the Carolinas is at his service.

You friend Bill will tell you that he has never had reason to be ashamed of his Chalmers car, that no matter what sort of a big, husky, high-priced rival he has met on the road his Chalmers has always been able to more than hold its own.

Bill will tell you that his car has never become loose or tin-panny--that it's as sound, sweet and easy-running today as it was the day he bought it.

And there are 14,000 other Chalmers "Bills" who will tell you the same story of satisfactory service.

You're going to have a car this spring. You're not going to deny yourself the pleasure and business economy that a car affords, and you're going to look for the best investment before you spend your money.

Suppose you go right now to your friend Bill, who drives a Chalmers.

It will pay you to "Ask Bill."

MAY SHORTS COTTON FEATURE

Goes a tPremium of 26 Points Over the Active Summer Delivery—Spot Cotton Closed Ten Points Higher.

New York, March 29.—The cotton market was nervous and irregular today, with Wall Street and other operators, including one of the leading bull brokers aggressive sellers of July, on advances, while May shorts appeared to be uneasy and bid that position up to a premium of 26 points over the active summer delivery. The close was steady, net two points lower to nine points higher.

Spring and new crop deliveries being relatively firm, the opening was steady, at an advance of 6@8 points, in response to better cables than expected, and a renewal of yesterday's late covering movement. Wall Street houses were sellers on the initial advance, however, and the market also looked as if some of the leading buyers of yesterday were liquidating. At any rate, prices soon eased off, with old crop positions reacting to about the closing figures of last night. Liverpool houses were good buyers on this set back, hoping to steady the market, and towards midday prices worked up on covering of shorts. There seemed to be very little May for sale when the rally began, and there was quite a flurry among May shorts during the noon hour, that position selling up to 14.40, or 12 points above the closing figures of yesterday, and 20 points above yesterday's low level. Later months worked up a net gain of 6@9 points in sympathy, but offerings of July became heavy on the advance, and fluctuations in the later trading were very nervous and irregular. Just before the close, July broke to 14.04, or 5 points net lower, but closed at 14.10, a net advance of one point. May closed at 14.36, or eight points net higher than last prices. New crop positions were about 5 points above the closing figures of yesterday. Private cables from Liverpool attributed the advance there to improved trade in Manchester, and a more active demand from the continent, but domestic trade accounts showed no improvement, and rumors of a better demand from China for cotton goods from Southern mills lacked confirmation.

Receipts at the ports today, 7,333 bales, against 8,553 last week and 17,048 last year. Today's receipts at New Orleans, 3,407 bales, against 9,203 last year, and at Houston, 2,655 bales, against 1,779 last year.

Spot cotton closed quiet, 10 points higher; middling uplands, 14.45; do. gulf, 14.70; sales, 200 bales.

Cotton futures opened steady and closed steady.

STOCKS LOSE DURING THE DAY

Professional Character Again Strikingly Illustrated on Market. Prices Moved Briskly in Early Trading.

New York, March 29.—The rather hollow and professional character of the stock market was again strikingly illustrated today, when prices made another upward move in the early trading, only to lose all and more in the latter part of the day.

News of the day was without very direct bearing upon the market situation. American securities opened steady in London, but closed much lower on profit-taking. That center sold here to the extent of perhaps 20,000 shares, as against its large purchases of the previous day. Continental markets were steady, with a considerable degree of activity in Berlin.

Business in the steel and iron industry during the past week was undeniably disappointing, especially for rails, in which particular product it was thought that some very large orders were pending.

Some improvement was reported in the demand for structural steel and bars. Trading in general shows no change from the adverse advices received last week.

The bond market was irregular, with trading in the convertible issues of Union Pacific, Norfolk and Western and Atchison again a feature. United States bonds, unchanged. Total sales, par value, $2,901,000. Total sales stocks, 273,200 shares.

DEMAND IN COTTON MARKET.

On Better Foreign Markets Buyers Became Sellers—Conditions.

(Special Star Telegram.)

New York, March 29th.—On the better foreign markets the buyers of yesterday afternoon became sellers, but there was a continued demand for May under the impression that the arbitrage interest in that position were disposed to buy freely because of the decrease in our stock of cotton. A decline in the afternoon was quickly recovered during the last half hour and the market closed with indications of a better one tomorrow.

Reports from the dry goods market are poor, and prevent any buying for a permanent advance. In Liverpool new crop deliveries are in demand at relatively higher prices than here, which accounts for their strength in face of the good weather.

DRY GOODS MARKET.

New York, March 29.—Sales of bleached goods following the reduction have been much better in volume. There is no immediate prospect offering for revisions in other lines, agents being doubtful of the action they might get from buyers at a different price basis. Underwear and hosiery are quiet. Ribbons are very dull in primary markets.

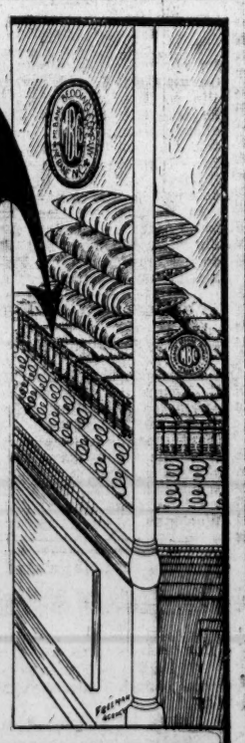
The Mebane Line

That's the Kind I Want!



WHEN you go to housekeeping or refurnish your house, bear in mind

The Mebane Line of Springs, Mattresses, Pillows and Cots.

You cannot go wrong. They are covered by this

Broad Guarantee

Buy a "Majestic" Spring and a "Kingsdown" Mattress from your dealer. Sleep on them for 60 nights. If at the end of that time you not entirely satisfied, return them and your money will be cheerfully refunded.

Here are some points for you to consider. "Majestic" Springs are made of 117 coils of highly tempered steel wire and conform to every curve and movement of the body. They are perfect in construction and are built to last a lifetime. The surface is absolutely smooth; no sharp points to tear the mattress or bed clothes; noiseless, and never sag at the edges or sink down in the middle, whether you are light or heavy in weight. For wood or iron beds.

Our "Kingsdown" Mattress is just as good as our Springs. None better made—at any price. Its uniform layers of sanitary white cotton felt make it light, soft, springy—conducive to perfect rest. Holds its shape always. Never gets mushy or lumpy in spots. Made to stand many years of constant use.

The Mebane Line of bedding, for cottage or mansion, embodies many new and original features and offers big value for the money. It gives perfect satisfaction because the high quality is always maintained. When you buy, don't be satisfied with anything except the best—that is Mebane. It is full of genuine merit and "honest all through". Prices within reach of all. Ask your dealer about The Mebane Line.

ALBANY IS SCENE OF BIG FIRE LOSS

(Continued from Page One.)

but its contents. The fourth floor space in the west wing did nearly four times the service it was originally intended for.

In places this part of the building was like a rabbit warren, with the employes of the library and the pupils of the library school working in box like apartments surrounded by wooden shelves loaded with books and pamphlets. When the fire, starting among the papers in the assembly library, reached this portion of the building it swept ahead with a fury that fused like wax, sandstone, granite and marble.

Most precious, from the historian's standpoint, of the fuel the flames found their path where the 23 manuscript folio volumes of the famous official records of the governors of the City of New Amsterdam covering a period from 1630 to 1670.

These were in the course of translation by A. J. F. VanLaer and his translations were burned with the original Dutch documents.

In addition to these the State lost the correspondence of Governor George Clinton, 5,000 pieces in all and the original letters of Sir William Johnson and Governor Daniel D. Tompkins.

In the office of the regent's examiners, 30,000 examination papers received from the high schools of the State were destroyed, but the priceless colonial and Washington and Lincoln relics in the custody of the education department, were in the big safe on the ground floor and were uninjured. These include the original manuscript of Washington's farewell address, the original of Lincoln's emancipation proclamation, all the original copies of the State constitution and the Major Andre papers.

Among the documents lost were records dealing with the histories of South Carolina during the revolution. At the request of that State a bill was pending in the legislature here to permit the department to turn over to their original possessor.

BANKERS END CONFERENCE.

Discussed Currency Bill With the Monetary Commission.

Washington, March 29.—After a conference of two days of the currency committee of the American Bankers' Association, the Monetary Committee adjourned today to meet at the call of Chairman Aldrich. The conference had been devoted to a general analysis of the Aldrich currency bill. In the main the provisions of the plan outlined by Mr. Aldrich have been found to be acceptable to the bankers, but they have suggested changes in phraseology in other portions of the measure, and considerable attention has been given to a few features of the bill.

The plans of the committee embrace an active campaign for the Summer, with the view of having the measure completed by the beginning of the first regular session of the 62nd Congress on the first Monday of next December. To this end the country will be canvassed and much literature will be distributed. No definite day, however, has been fixed for the further consideration of the subject, but it is understood that Senator Aldrich will state the case quite fully in a speech which he is preparing to make in Boston early in April. He and other members of the committee probably will visit many of the large cities during the Spring, Summer and Fall.

WOMAN IS CLUB OWNER.

Mrs. Britton Inherits Robison's Stock in St. Louis Club.

Cleveland, March 29.—Mrs. Helen Hathaway Robison Britton, niece of the late M. Stanley Robison, principal owner of the St. Louis National League baseball club, who died here last week, will be the next president of the club, she announced here today. Mrs. Britton inherits her uncle's stock under his will probated yesterday.

Following a conference with Manager Roger Bresnahan in which he stated that a number of the players' contracts were unsigned, and that much other business must be transacted before the opening of the season on April 12th, Mrs. Britton has decided to go to St. Louis in a few days to look after her interests. She is not certain whether she will retain her interest in the club. The present situation is unprecedented in the history of the organization.

Mrs. Britton is 32 years old, and the mother of two children, a boy and a girl. Until recent years she was a frequent attendant at the ball park and understands the game thoroughly.

PRACTICE GAMES IN SOUTH.

Big Leaguers Still Playing in Various Cities—Results.

New Orleans, March 29—The Cleveland first team played with the locals today, winning by a score of 6 to 3. LaJoie's hard hitting was a feature, the big Frenchman securing a single and two 2-base hits when they were needed most.

Atlanta, March 29.—The New York Giants bunched 14 hits for 10 runs in today's game here while the best that Atlanta could do was eight hits and three runs. A home run by Merkle was the feature.

Nashville, Tenn., March 29.—An exhibition ball game scheduled here today between the Nashville Southern League team and the Chicago National League team, was called off owing to bad weather conditions.

Louisville, Ky., March 29.—Cold weather prevented the ball game scheduled here this afternoon between the Detroit American League team and the Louisville American Association team.

JUDGE POPE PASSES AWAY.

Distinguished South Carolinian Died Yesterday at Newberry.

Newberry, S. C., March 29.—Former Justice Young John Pope, of the State Supreme Court, died here this afternoon, aged 70 years.

Judge Pope was born at Newberry. He was educated here and at Furman University, Greenville. He fought throughout the Civil War and at its close was assistant adjutant of Kershaw's brigade. At the close of the war he became district judge. For one year he was a member of the House of Representatives. In 1890, Judge Pope became attorney general and the following year he was elected Associate Justice of the Supreme Court, which position he held until his elevation to the chief justiceship. About two years ago, Judge Pope resigned because of his advanced age.

Washington, March 29.—Capt. Chas. G. Badger, captain of the battleship Kansas, today was promoted to the rank of rear admiral. He fills the vacancy caused by the death of Admiral Fremont. Admiral Badger later will be appointed commander of the second division of the Atlantic fleet. He is a native of Maryland.

Richmond, Va., March 29.—It was announced here tonight that Dr. Adolph G. Hoen, director of the pasteur institute in this city, and associate director of the Pasteur Institute in New York, died in Baltimore this evening.

J. HICKS BUNTING DRUG CO.

LINE-UP AT WASHINGTON.

Democrats Arriving for Extra Session—Reciprocity.

Washington, March 29.—Representative Gudger blew in like a summer breeze yesterday and settled in his office, room 116, the House Office Building, and went right to work. He had been to Panama to see the canal and his brother, Hezekiah Gudger, who still retains his position, although he has not been re-appointed. Mr. Gudger is very enthusiastic over the work on the canal and says that it will be completed two years earlier than expected.

"What about reciprocity, it is reported here that you are not in favor of the treaty with Canada? Is that true?" he was asked.

"I have not made up my mind fully," he said, "but I am inclined to oppose it.

"It is this way: They would put wheat on the free list but leave a duty on flour and put cattle on the free list and leave a duty on beef. The farmer is the loser and the manufacturer the gainer. That is the way I see it. They tell us that the cost of living will be reduced by this reciprocity treaty. Why? Do you eat wheat and cattle or flour and beef?"

Mr. Gudger admitted, however, that he is open to argument.

"One thing certain," he added, "I am going to be independent. I will do my own thinking."

Representative Small passed through the city yesterday, tarrying for a moment only, and Representatives Kitchin and Pou returned here last night.

Mr. Kitchin said today that the country could rely on the House, Democratic as it was, to do the proper thing by the people. He said that the consumer was going to have his turn.

Many of the congressmen are arriving daily. All of the Democrats will be here for the caucus Saturday night. H. E. C. B.

NEW ORLEANS GRATIFIED.

Appreciate Efforts In Congress to Secure Panama Show.

New Orleans, March 29.—Congressman William A. Rodenberg and the other majority members of the House Committee on Industrial Arts and Expositions, who stood by the city in her recent fight for the Panama Exposition in Congress were tonight presented with handsome testimonials as gifts from the citizens of New Orleans in appreciation of their efforts.

An elaborate silver service was presented to Congressman Rodenberg at a public reception at 8 o'clock. Large silver loving cups were presented to Congressmen John W. Langley and Joseph L. Rhinock, of Kentucky; Arthur P. Murphy, of Missouri; Frank P. Woods, of Iowa; J. Thomas Heflin, of Alabama; James William Collier, of Mississippi, and James H. Covington, of Maryland. Congressman William A. Cullup, of Indiana, was unable to be present. A banquet followed the reception and presentation of testimonials at which was served a choice New Orleans menu Governor Saunders and General Estipinal made addresses of welcome which were responded for the visitors by Congressman Rodenberg.

MODEL HIGHWAY ASSURED.

Between Leesburg, Va., and Washington—Money Provided.

Leesburg, Va., March 29.—Residents of this city and Washington at a "good roads meeting" held here were told that the proposed model highway between this city and Washington was assured. The new roadway, which will be built for the use of automobiles and other vehicles, will take the place of the present Georgetown-Leesburg turnpike. Money enough has been provided by Virginia, the county and private subscriptions to build the pike from Langley to Chain Bridge. The new road, it was explained, will open up a new and direct route from Washington to the valley of Virginia.

MRS. EMERSON AFTER DIVORCE.

Charges Capt. Emerson With Desertion and Abandonment.

Baltimore, March 29.—A cross bill for absolute divorce was filed in the Circuit Court here today by Mrs. Emelie A. Emerson against Capt. Isaac E. Emerson, charging desertion and abandonment. Mrs. Emerson says that she and Capt. Emerson have not lived together as man and wife since October, 1904, when the alleged abandonment is said to have begun.

In January last Capt. Emerson entered suit for absolute divorce from his wife. Recently Mrs. Emerson filed her answer denying his charges of marital unfaithfulness.

PROF. HOBARD MISSING.

Director of School of Commerce in Eastern College.

Manassas, Va., March 29.—Prof. H. C. Hobard, director of the school of commerce in Eastern College here, is mysteriously missing. Neither his family nor his associates in the faculty of the college have any knowledge of his whereabouts. In addition to his scholastic duties Prof. Hobart was local representative of the Columbian Woodmen, a benevolent order.
